

Pocket Money

Rule 1:

£2 for the first week. Add £5 each week.

Rule 2:

£10 for the first week. Add £2 each week.

Rule 3:

£0.50 for the first week. Double it each week.

Work out how much money each of the children would get for the first 8 weeks. Fill in the table below. The first part has been done for you.

Week	Rule 1	Rule 2	Rule 3
1	£2		
2	£7		
3			
4			
5			
6			
7			
8			

When you have completed the table, write down your conclusion:

Now turn over and draw a graph of your results.
